Google Home Hub

Google Home Hub

The Google Home Hub features a built-in display and an impressive speaker so you can enjoy handsfree control of your smart home devices, ask questions and view the results, stream videos and more. It features Voice Match which ensures that the Google Assistant recognises your voice, providing a personalised experience so you can keep track of your calendar, reminders and more on the home screen. All you need to do is say 'Hey Google' and you're ready to go. For more information google home hub

Option 2
Ring Camera
3,500 Points

Ring Spotlight Wireless Security Camera

The Ring Spotlight Camera will automatically activate once motion is detected, sending an alert to your smart device so you'll know when someone is on your property. It records real-time footage in 1080 HD and can still record clear video at night thanks to infrared night vision. It's battery operated and can be connected via WiFi, plus it features 2 way audio so you can hear and communicate to people via the built-in microphone and speakers.
