

### New Products

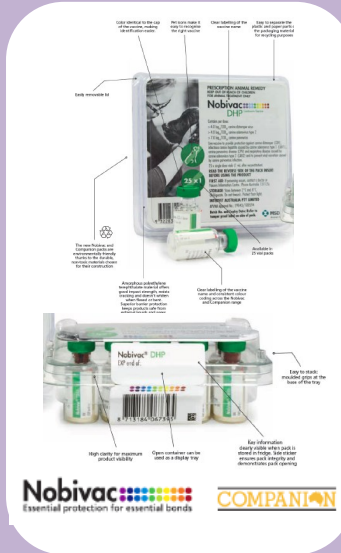

#### MSD Vaccines Change of Pack Sizes

Manufacturer: MSD

Over the coming months, MSD's Nobivac and Companion vaccines will be changing to packs of 25. The new packs will be available once the 10/20 packs are depleted.

The new packs are clear and durable, making MSD vaccines easy to store, easy to access and easy to recognise. The new packs are made of recycled and recyclable, non-toxic material. The contents / antigens etc remain unchanged.

For further information please contact your MSD Animal Health Representative or call 1800 033 461

### Nutrition Update

#### Ivory Coat Companion Goods

Ivory Coat Gourmet Treats are now available at Lyppard. These Australian made gourmet natural dog treats are the perfect bite size morsels, both moist and delicious. They are soft chewy morsels made from lean meats. Low in fat and salt these guilt free treats are free from wheat, artificial flavours, colours or undesirable meat by products, making the range more special.

A great accompaniment to the Ivory Coat Dry Food range now available in 2kg, 8kg and 13kg bags.

*Note: Ivory Coat is not available in our Townsville Warehouse*

#### F10 Aerosol Fogger

Manufacturer: Chemical Essentials

F10 single use canister for complete room disinfection (approx 30 cubic metres).

Simply place the canister in the room and activate the fogger for quick, easy and effective disinfection. The F10 will be expelled and dissipate throughout the room within 10 minutes, efficiently disinfecting walls, surfaces, ceilings and hard to reach areas of the room.

Use as part of regular or seasonal cleaning programs, or to thoroughly disinfect an entire room following a potentially infectious outbreak.

Available in a single-use 500ml canister.

Code	Product Description	Price
F10F	F10 AEROSOL FOGGER	\$25.45

For further information, please contact Chemical Essentials on (03) 8821 0025
